Hodonín Gallery of Fine Arts

Úprkova 601/2

Hodonín , 69501

The Hodonín Gallery of Fine Arts focuses mainly on Bohemian and Moravian art of the 20th and 21st centuries and the work of artists from neighbouring Slovakia and Austria. It manages more than 5000 objects from the fields of painting, sculpture, drawing, free and applied graphics and photography. The permanent exhibition presents the works of the founding generation of the Association of Moravian Fine Artists and the works of artists from the region of Southeast Moravia from the end of the 19th century to the present.
